SPOTLIGHT

Randolph Southern CdLS Awareness Night

Jan 31, 2017 Updated 23 hrs ago

The Randolph Southern Spirit Store will be hosting a CdLS Awareness Night on Thursday, February 2, 2017 during the Boys Basketball game against Daleville. The guest of honor for the game will be Randolph Southern's own Ike Dalzell. We ask that you wear purple to the game.

What is CdLS?

"Cornelia de Lange Syndrome (CdLS) is a genetic disorder present from birth, but not always diagnosed at birth. It causes a range of physical, cognitive and medical challenges, and affects both genders equally. CdLS does not discriminate—it's seen in all races and ethnic backgrounds. The occurrence of CdLS is estimated to be 1 in 10,000 live births." - CdLS Foundation

Some details about the game:

Ike leads the varsity team out for warm-ups (have a banner for the team and him to run through), starts the warm-ups and sits on the bench.

During halftime of the varsity game, Ike gets 2 minutes to make as many three's as he can and the spirit store will donate \$10 for each three made.

Mr. Pruitt and Miss Day can go out and rebound and feed him the ball.
