Therapeutic partnership announced

Posted: August 8, 2013 - 12:00am

Special to The Record

Haven Horse Ranch therapeutic riding center announced a partnership with Next Step Therapy, a St. Augustine-based business which provides physical, occupational and speech therapy services pediatric patients. They service patients with diagnoses including Down Syndrome, seizure disorders, Cornelia de Lange Syndrome, mitochondrial disorders, cerebral palsy and developmental delays with a specialty in pediatric vestibular disorders.

“We are excited and proud to partner with Haven Horse Ranch in providing equine assisted therapy to special needs children in our community,” said Vicky Carregal, owner of Next Step Therapy. “Next Step now has three licensed therapists who are also certified in equine assisted therapy.

Haven Horse Ranch is a licensed SpiritHorse International therapeutic riding center and one of only two training centers in the country. Equine assisted therapy classes are now offered through the University of St Augustine.

Next Step Therapy can be reached at 315-8525, and Haven Horse Ranch at 813-5710 or at www.havenhorseranch.org.
